

# NC Simmental Association

## 2013-2014 Membership Directory

This year we are printing the same style directory as last year. We will have the outline of the state of North Carolina with the counties outlined. Each NCSA member that has paid their 2013 dues will get a spot on the map. This should help commercial cattlemen or other producers to find Simmental breeders in their area easily. Out-of-state members will get an appropriate spot, also.

Breeders can also take out an advertisement which will surround the NC map. These ads are much more affordable than the ones in the old booklet style. There is limited space available for these ads so please send these forms back in as soon as you can to be sure you get an advertising spot!

**Large size ad: (4.5" X 5") \$100 \_\_\_\_\_**

**Small size ad: (3.5" X 2") \$50 \_\_\_\_\_**

Business cards will work well for the small ads. A photo can be used in the large ads. Either send in a camera ready ad by mail or email to [ncsa@yadtel.net](mailto:ncsa@yadtel.net) or send in the information you want in the ad.
